

# A day discovering Petite Terre

\*Special Excursions for cruise-ship visitors

Experience a day with our guide in Petite Terre, hiking around the famous emerald colored Dziani Lake with beautiful views on transparent lagoon water and coral reefs. Your Guide will then take you to a beautiful beach for the local barbecue (locally called a Voulé) and fresh pressed juice.

You will enjoy the afternoon at the beach, one famous for being the home of many turtles.

This excursion includes the roundtrip transfers to Petite Terre, driver back and forth and lunch.
